# Intentional Parenting - New Study

Parents can be, need to be ... the most significant influence in the life of their children - intentionally. It all starts **May 3** in the 'Young Family Class' (Pastor's Class) as we begin a challenging and creative look into our role as parents.

**STARTS MAY 3 in Young Family Class**

This is a RightNow Media based study.

## Chosen People Ministries

**On June 7, in the morning worship hour -** Derek Bloomenthal of Chosen People Ministries will be with us. This powerful ministry connects the promise of Jesus to those of the Jewish tradition. Derek will share on the life of Joshua. This is a great way to build up to our VBS event on 6/14-18.

## Church Mouse

Andrea Hoffman did a powerful act of service last month as she coordinated an impromptu choir of students of Samantha Landry. They gathered at EBC. Then they shared the recording with Samantha's family and the world online. Check it out on EBC's and Andrea H's Facebook page.

## Connect to Missions

For May and June, we will be collecting food items for Memorial UMC food bank. They are in need of canned Chef Boyardee, mixed vegetables, potatoes, and meat (these are all canned goods). They also need taco shells, Hamburger Helper, toilet paper, and paper towels.
